

CITY OF LEWISBURG

Floodplain Certificate

Address of Proposed Development: _____

The proposed development is located on FIRM Panel Number _____

The Proposed development: (check one)

Appears to be in the SFHA, more documentation and **Flood Plain Development Permit is required** _____

Does not appear to be in the SFHA _____

If the property is located within a Special Flood Hazard Area, Federal law requires that a flood insurance policy be obtained as a condition of a federally backed mortgage or loan that is secured by the building. Additionally, all applicable provisions of the Floodplain Ordinance contained in the Zoning Ordinance of the City of Lewisburg will apply. If the property is not shown to be in a Special Flood Hazard Area, that is no guarantee the property will not be subject to flooding.

Applicant's signature _____ Date _____

Permit Number _____

Approved by _____ Date _____

NOTICE

Before a Building Permit is issued, you must have an 811 number (call before you dig). Dial 811, ask for locator. Give the location of the project. They will give you a 9-digit number. This number will go on your Building Permit.

Signature _____ Date _____

The City of Lewisburg, Tennessee does not discriminate on the basis of race, color, religion, national origin, sex, age or handicapped status in the admission or access to, or treatment or employment in, its federally assisted programs or activities.

CITY OF LEWISBURG

Stormwater Certificate

Name of Permittee: _____

Address of Proposed Land Disturbance Project: _____

Project Type (check one): Commercial Residential Industrial Other

Land Disturbance Permit Number: _____

Completion of this Certificate indicates that the proposed project has met the City of Lewisburg's requirements for the issuance of a Land Disturbance Permit and is therefore eligible for receipt of a Building Permit for the project. Receipt of this Certificate in no way implies that the project is in compliance with stormwater regulations or requirements. It is the responsibility of the permittee listed above to maintain all necessary sedimentation controls during construction of the project to assure compliance with the Land Disturbance Permit and the Stormwater Management Ordinance.

Signature of Permittee: _____

Signature of Stormwater Coordinator: _____
