Activities

Barbara is going to check with Jenna on grant for trees

Waste Management want to set up upper end of land on Hwy 373 with a small park and walking trail. Nothing new on this yet due to COVID but they would be doing most of the work.

2020 Grant for Rock Creek Clean- up project was changed due to COVID. Money was used for informational signage.

Add trees at Disc Golf Course

Discussion Items

- Tree in front of Bank on square is on order
- Trees that seem to be aging out are in front of Dixie and in front of Parson and one on corner.
- Need to start making a plan to replace ash trees that are dying due to the Emerald ash bore
 - Recommend that we replace these with something smaller and could be a good Arbor Day project
- Arbor Day will be the first Friday in March, 2021 (March 5, 2021)
- Barbara brought up keeping the Tree committee in tact but have less meetings. We can all communicate through email. If there were any pressing issues we could have a special call.
 - Lisa Jackson made a motion to have set meetings in September and the 1st Friday in March. CH Harwell 2nd. Motion carried
